ELECTRIC BILL

**THIS HAS BEEN A CONFUSING TIME LISTING TO
PECO TELLING US TO CHOOSE A CARRIER AND
REDUCE YOUR ELECTRIC BILL.**

We have reviewed several companies, and have chosen to go
With a company called **Viridian**. For everyone who will sign up with this company the
church gets a donation. This will help us a lot with our budgeting.

Please if you have not chosen a company sign up under our account and help out the
church.

GO to Viridian.com/bridesburgpres

All you will need is your Electric bill. It will not matter if your in New Jersey or not. The
questions are easy and after you put in your zip code your company will come up.

Please help us. At the session meeting on Sunday we will have a laptop computer hoping
we can go on line and show you how easy it is to sign up.
If you wish bring your electric bill to church and we will see if we can get on line.
